Development of this plan was preceded by a one year, participatory assessment with local foreign-born and Hispanic communities. This assessment incorporated demographic and GIS data, a review of local resources, public discussion groups with more than 200 residents, and more than 200 surveys submitted.
by local residents from 23 countries of origin. Assessment findings are available to the public online in both English and Spanish at http://migration.unc.edu/programs/bic/reports-and-resources/.

The actions proposed here aim to leverage existing City government structures, as well as the respective expertise and networks of the involved Stakeholder Committee members, to improve several community-identified issues with respect to educational support, English language education, domestic violence, government communication, health care access, driver’s checkpoints, and public transportation. Actions were developed by several dedicated subcommittees as specified throughout the plan; planning for public transportation, specifically, incorporated additional resident direction through three supplementary open subcommittee meetings.
I. COMMUNICATIONS

OVERALL GOALS:
- Increase City capacity to communicate with foreign-born and Hispanic residents.
- Increase representation of foreign-born and Hispanic residents within diverse City/agency staff positions.
- Increase foreign-born and Hispanic residents’ access to civic information and to government/agency services and opportunities.
- Increase the capacity of City and local organizations for serving hearing impaired and differently-abled residents with Limited English Proficiency (LEP).
- Increase community awareness of Fair Housing rights, including the assistance available to foreign-born and LEP residents experiencing domestic violence/intimate partner violence.

Action A:  Create the new City employee position of Integrated Communities Liaison.

Description: Create the position of Integrated Communities Liaison to provide or assist with outreach to foreign-born populations in Winston Salem and recruit qualified, bilingual job applicants to vacancies within all of the City’s diverse departments. The Integrated Communities Liaison will be a bilingual, Spanish-speaking professional who will establish and lead the City’s outreach efforts through work partnerships with the Human Relations Commission, College Advisory Board, city departments, citizens, community and civic groups/organizations, businesses, and schools. The Liaison will also assist the Human Relations director with ensuring the City’s Limited English Proficiency (LEP) requirements are met. The Liaison would review the required diversity plans that City departments submit for vacancy postings to ensure that these plans incorporate effective posting venues for Spanish-speaking communities. The Liaison will also lead and coordinate all Human Relations media outreach (including fair housing advertising and dissemination of new, web-based resources for foreign-born and Hispanic residents and services providers), intradepartmental and interdepartmental trainings, as needed. Specific areas of lead responsibility will include representing the City of Winston-Salem at local cultural festivals, the annual PRIDE Festival, reporting for the annual Human Rights Campaign Scorecard, and working with local non-profit organizations to provide fair housing education as it specifically relates to national origin discrimination. The position will also seek grant funding opportunities that complement the outreach initiatives of the department.

Action B:  Enhance visibility of existing City incentives for employees who speak Spanish. Enhance recruiting efforts for job applicants with foreign language proficiency.

Description: The City of Winston Salem offers a pay incentive ($1100 annually) to individuals who pass a Spanish language proficiency test. This information will be added to the main webpage content at both www.cityofws.org/departments/human-resources and www.cityofws.org/jobs.

In addition, all City vacancy listings approved by the City’s Department of Human Resources will incorporate the following language:
1. The addition of “foreign language proficiency” as a desired skill for vacancy applicants (e.g. “Foreign-language proficiency in two or more languages a plus”), as well as
2. An informational statement that specifies the Spanish-speaking pay incentive.

Target Dates:
Nov. 1, 2016 Requirement of additional language begins for Human Resources approval of City vacancy listings.

Funding: No cost.

**Action C: Expand access to translated website content for City website users.**

**Description:** The website design for www.cityofws.org will be modified as follows:

1. The Spanish translator (“En Español”) button, currently located within one of four menu lists within the website footer, will be moved to the website header.
2. A language translation tool (e.g. Google Translator) will be added to the string of existing icons (e.g. 311 and Facebook) that are currently embedded in the website header, such that site users can choose to view webpage content in as many of the languages spoken by Winston-Salem’s foreign-born and refugee populations as possible.

Target Dates: Complete web design modifications by November, 2016.

Funding: Regular WSHRC/HRD budget allocations.

**Action D: Develop a comprehensive directory of interpretation and translation resources.**

**Description:** The Winston-Salem Human Relations Commission/Human Relations Department (WSHRC/HRD) aims to improve the City’s access to interpretation and translation resources, both to better assist its staff in communicating with foreign-born and Limited English Proficiency (LEP) residents and to enable WSHRC/HRD to better mediate Fair Housing disputes and assist residents experiencing domestic violence/intimate partner violence.

WSHRC/HRD will expand the LEP Officer’s list of certified and uncertified and interpreters and translators to be as inclusive as possible of the many languages spoken by local refugee communities (e.g. Arabic, Haitian Creole, Karenii, and Swahili). WSHRC/HRD will further identify professional translators who can offer pro-bono translation services, as well as collaborate with Legal Aid, Forsyth Tech, and other partners to incorporate the interpretation and translation resources available at local colleges, universities, and legal resources, as necessary. This action is funded via regular WSHRC/HRD and other partner agency existing budget allocations.

Target Dates:
Fall 2016 Identify and compile resources available at local colleges and universities.
Dec. 15, 2016 Identify potential providers of pro-bono translation services.
March 2017 Finalize directory.
March 2017 Share directory with City and community partners as a part of a web-based
resource guide at www.cityofws.org/departments/human-relations (see Action E below).

Funding: Regular WSHRC/HRD budget allocations.

Action E: Create a web-based guide to local educational, faith, health care, and interpretation and translation resources for foreign-born and Hispanic residents.

Description: As referenced in Action D above and in subsequent sections of this Action Plan, the WSHRC/HRD Fair Housing team and BIC Action Planning Subcommittees will compile directories of local educational, faith, health, and interpretation and translation resources that are critical to serving and supporting local foreign-born and Hispanic residents (see above Action D; see below Sections II. Education and III. Health, Actions A and B). WSHRC/HRD will collaborate with the City’s Information Systems Department to consolidate and disseminate these respective directories as one web-based resource guide at www.cityofws.org/departments/human-relations.

WSHRC/HRD staff will add to/update the guide on a quarterly basis through quarterly BIC meetings and/or through use of an online submission form for adding and updating listings. WSHRC/HRD staff will furthermore collaborate with the WS BIC Stakeholder Committee, the City’s Marketing and Communications departments, and the other entities as listed below to further market the availability of these resources to target audiences.

- College Advisory Board – Educational resources
- Interfaith Winston-Salem/Compassionate Winston-Salem – Faith resources
- International Center of Forsyth Tech – Interpretation and translation resources; conduct a least biannual outreach visits to ESL classes and in conjunction with college events.

WSHRC/HRD staff will conduct quarterly outreach with organizations that work with hearing impaired and/or differently-abled populations. HR Staff will provide trainings on how these organizations can better serve individuals who are foreign-born and enable them to access City resources.

Target Dates:
- December 2016: Begin outreach activities.
Funding: Regular WSHRC/HRD budget allocations.

**Action G: Translate and disseminate Fair Housing and Code Enforcement information.**

II. POLICE

OVERALL GOALS:
- Improve Public Perception in Regards to Racial Profiling/Police Harassment.
- Maintain a Reduction in the Number of Driver Checkpoints.
- Recruit and Hire More Bilingual Officers.
- Reduce Neighborhood Crime, Monitor Gang Activity, and Help Residents Feel Safe.

Action A: Engage in Trust Talks and other trust-building measures.

Objective: Build better trust between the police department and the community. Develop more information sharing and form a partnership with community leaders. Inform citizens as to why we react the way we do in certain situations. Create a more open, honest, and transparent relationship with the community.

Description: We will continue to host Trust Talks on a quarterly basis. We will continue to target specific areas of the community for Trust Talks, and we will continue to recruit a diverse group of participants. We will continue to use in car and body worn cameras. We will continue to attend community meetings. Officers will continue to attend yearly Diversity Training.

Target Dates: Ongoing and continuous.

Funding: Police Department Annual Budget.

Action B: Reduce the number of driver’s checkpoints.

Objective: We want to maintain a reduction in the number of RANDOM driver’s checkpoints citywide. In 2015 we only conducted one driver’s checkpoint. Thus far in 2016 we have only conducted two driver’s checkpoints. This will cause a reduction of driver’s checkpoints in the minority communities.

Description: The WSPD revised General Order 2.17 on September 27th, 2012 which states that Lieutenants or above must approve any driver’s checkpoint. This changes how, where, and how often driver’s checkpoints take place. Disciplinary action will be taken against officers that do not follow this policy. We will be able to track driver’s checkpoints through department statistics. We will provide statistics on driver’s checkpoints to the public upon their request. Citizens may contact the Crime Analysis Unit at 336-773-7931 to request these statistics. The NC Governors Highway Safety Program announces statewide driver’s checkpoints such as “Click it or Ticket and “Booze it and Lose It” campaigns.

Target Dates: Ongoing and continuous.

Funding: Annual Police Budget.

Action C: Recruit and hire more bilingual officers.
Objective: We are dedicated to having a diverse police department. We want to hire more bilingual officers and establish better relationships in Hispanic communities.

Details: We are going to continue heavily recruiting Spanish-speaking officers. We will continue to attend recruitment fairs at military and college campuses. We will recruit lateral transfers from other police departments. We will continue to offer pay incentives for Spanish speaking officers, and we will continue to advertise and recruit through Hispanic newspapers and media outlets. We will work with the city’s marketing department to share job announcements with the Winston-Salem Building Integrated Communities’ social media networks of Spanish-speaking and foreign-born residents.

Target dates: Ongoing and continuous.

Funding: Annual Police Budget which has been increased for police recruiting for FY 2016/2017.

**Funding:** Winston-Salem Transit Authority (WSTA)

Action Item B: **Build foreign language capacity within the Winston-Salem Transportation Department.**

**Description:** Employ staff with multilingual skills and/or Spanish proficiency via:

- The Department of Transportation (DOT) will work with the W-S Human Relations Department to participate in, and discuss public transportation during, those sessions of the Trust Talks program that specifically target populations who do not speak English and/or for whom English is a second language. Conduct Trust Talks at both the WSTA and PART facilities.

**Target Date:** Implement in March, 2017.

**Funding:** Forsyth County and Winston-Salem Law Enforcement Agencies.
